

all dial  
qwasn't it supposed ot snow or something, did it? Or tiurn to rain.  
I don't know. i don't rem.  
guy can't find time or day  
at 24 hour wawa --Isn't this funny? No papers left  
and two clerks and him confused. Clock went on blink  
last wk and since we  
re open 24 etc and I don't wear my watch anymore since  
it's a good one and if we're robbed  
they have 2 bucker at deals  
clerks are comedians butget scared at end  
can't tell fm sky  
try radio just static  
Judgey and Rita will come in  
but we;ve been wkiang like hours!  
why do you want ot know time, day I can understand--  
i think you'll go a litttle crazy if you don't know what day  
like being in a n instituion  
other clerk : this is one  
everything is one etc  
do lyouhav eot meet someone  
I don't know  
but if I found the time maybethast'd come back to me  
star wars music and they all a\laughed and they  
become horrified: why doesn't anybody else come in here?  
and there  
's no one iln the post office either.  
they wait and wait and no one comes in.  
finally clerK whydon't you just get out?  
can't reach door due t o electri field  
eliectric aint my field.  
guy: please!  
clerk: we got pleases too! How about us. You want us fuckin  
work forever? point is ? Maybe none.

sunso bright you cna't tell if cars are going by

lotza paranoid: why did you come in by yourself?  
Where is everybody else?  
What did you do with everybody else?  
Are you from some planet.

Prob an accidnet and cops closed road

That I can chek out  
no phone  
Did you cut chord outside

I'll go out and call

but can't I don't know i'm not able to

they wait one guy w knife and other in gun drawer

We could make you go out  
I don't think so.  
Something;s wrong. I mean terribly wrong,

not cops stopping traffic, nothing common  
like that. I mean something you can't relate to,  
habven't even heard about.
